such care in a boarding or residential home of the applicant's choosing that is licensed under IC 16-28 or a Christian Science facility listed and certified by the Commission for Accreditation of Christian Science Nursing Organizations/Facilities, Inc., that meets certain life safety standards considered necessary by the state fire marshal. Payment for such care shall be made to the provider of the care according to division directives and supervision. (f) In addition to the amounts that may be retained under subsections (d) and (e), an eligible individual may retain a Holocaust victim's settlement payment. The payment is exempt from income eligibility consideration by the division.

established by the division. The division shall establish an administrative appeal procedure to be followed if rate disagreement occurs if the provider can demonstrate to the division the necessity of costs in excess of the allowed or authorized fee for the specific boarding or residential home. The amount may not exceed the maximum established under subsection (d).

(h) The personal allowance for one (1) month for an individual described in subsection (a) is the amount that an individual would be entitled to retain under subsection (d) plus an amount equal to one-half (1/2) of the remainder of:

- (1) gross earned income for that month; minus

 - (D) any mandatory expenses required by the employer as a condition of employment.

(i) An individual who, before September 1, 1983, has been admitted to a home or facility that provides residential care under this section is eligible for residential care in the home or facility.
